The Board of Commissioners meeting was called to order by Chairman of the Board Commissioner Martin at 7:00pm. There were 6 members present.

Commissioner Martin stated that this meeting was called to discuss and determine how we are going to pay for repairs to 2376. The radiator needs to be replaced and the truck is out of service.

Chief Meier reported that 2376 was on its way back from a call when it started smoking and they pulled into Target parking lot. Vander Molen was called and they determined the cause was the radiator and attached piping and made a temporary repair just to get it back to the station. The chief reported that he requested quotes from Vander Molen, VRS and Premier. He received a quote from VRS of \$9,185.56 and a quote from Premier of \$8,727.64. VRS included hardware allotment and the shop is closer to the station.

Commissioner Gapczynski made a motion based on the information given to accept the quote from VRS for \$9,185.56. The motion was seconded by Commissioner Desbiens with all in agreement. The money will be taken out of the Repair Reserve. A motion was made by Commissioner Gapczynski to hold a public hearing on Wednesday, September 9th at 7pm seconded by Commissioner Martin with all in agreement.

Chief Meier reported that the pastor at Good Shepherd Lutheran Church wanted to hold a September 11th memorial event at our station and requested members be present. Commissioner Martin made a motion to approve the department hosting this event seconded by Commissioner Desbiens with all in agreement.

Commissioner Martin made a motion to adjourn the meeting at 7:12pm, seconded by Commissioner Desbiens with all in agreement.
